Heilo Eleise,

Thank you for your hospitality last Saturday night at Tiaro, I was also impressed with the "Guys & Gals" and the manner in which you all supported Annette and her family especially little Josiah.

It is a credit to Annette for her dedication in the upbringing of young Josiah and her family while also being President of the P & C Maryborough Special School.

I enclose cheque for \$250.00 as a contribution towards the fundraising event Poker Run to be distributed to Annette.

I thank you once again for your Members supporting a really good cause.

Yours sincerely

MICK KRUGER
